How to: Clear to Colorful – How to Spray a Body [SPONSORED BY TESTORS]

[RCCarAction.com](#) [Featured News](#) [Comments](#)

Testors' original Pactra RC lacquer paints are specially formulated for application to the underside of clear polycarbonate RC car bodies. The premium lacquer paints provide superior coverage and color performance, resist fading, and create a durable, flexible finish that stands up to the extreme demands of RC racing.

Pactra's lacquer sprays enable users to personalize their clear polycarbonate RC bodies with a fresh coat of premium time-tested paint. From basic designs to detailed multi-colored special
